## **Body Scan**

Advanced body scanning technology fits the chair to you, mapping your body to provide a customized experience.

## **S-track System**

You'll feel great, intelligent rollers conform to the curves of your body to achieve persistent contact for complete relaxation.

## **6 Full Body Auto Modes**

Easy to use automatic massage modes allow you to enjoy a massage instantly at the press of a button. Gentle, Relax, Neck & Shoulder, Lower Back, Lower Body, and Stretch.

## **6 Manual Massage modes**

Target your back muscles and relax with Kneading, Swedish, Tapping, Shiatsu, Clapping and Rolling, Choose your speed, width and height adjustment.

## **Manual Air Massage**

Relax with 26 air cushions from soft to more vigorous squeezing. Customize your air massage with 5 intensity levels, and choose to massage your calf's and feet, arms, shoulders or your whole body.

## **2 Zero Gravity Positions**

Recline back and you'll experience reduced pressure from head to toe, in these relaxed positions your body is more receptive to massage. These positions can improve circulation and reduce swelling in your legs.

## **Rhythmic Seat Massage**

Therapeutic vibrations to improve muscle performance and calm your nervous system. Placed at the base of the seat so you can feel fine vibrations through your core.

## **Acupressure Foot Massage**

Pamper your calves and feet like never before. Relieve painful, swollen legs and feet with gentle or aggressive massage. Improves circulation and relaxes your muscles to ease your aches away.
